**NOTES:**

(A) The BASIC PACKAGE is perfect for Receptions and includes:

- The first 4 hours (minimum charge) • Travel within the DJ's home city
- One main sound system (2 speakers) for one room or area and music program via laptop
- Two handheld wireless microphones with stands
- MC services (announcements, introductions, etc.) by the DJ
- Customized song pool and unlimited advance consultation
- Hands-on coordination with you and your vendors via a shared timeline
- Proof of liability insurance for your venue

(B) Additional HOURS: Booked in advance or overtime.

(C) Additional SPEAKERS/AREAS: All gear should be set up and ready to go before guests arrive - we avoid moving speakers during the event.

- If the Ceremony and/or Cocktail Hour are in the same room/area as the Reception, no additional speakers are needed, and you are free to add on additional hours.
- If the Ceremony and/or Cocktail Hour are in rooms/areas separate from the Reception, 1-4 additional speakers may be needed, plus any additional hours.

(D) Early Setup/Downtime/Late Breakdown: There is no charge for setup or breakdown time, as long as:

- The DJ has at least 1 hour per contracted area to load in and set up, immediately before the DJ Start Time;
- The DJ has at least 1 hour to break down and load out, immediately after the DJ End Time;
- The DJ's load in, setup, sound check, breakdown and load out doesn't disrupt any other activity going on in or around the space;
- The Event Location does not require setup or breakdown outside of these windows.
